## 2009 Adult Easter Egg Hunt

### First Annual Adult Easter Egg Hunt a Huge Success

The Hillsboro Community Civic Club would like to thank everyone who attended and supported the first annual Adult Easter Egg Hunt held on April 7, 2009.

It was wonderful to see such a large turnout which was somewhat unexpected and overwhelming.

We are excited about next year's Egg Hunt and will be better prepared for a larger crowd. We hope everyone had a great time and assure next year's

event will be better than ever.

Special thanks to Cheri Wallace and Gina Kumlin who organized the event.

Great job!

## Sponsor Highlight—Eagle Bank

### Supporting our community for nearly 100 years

Eagle Bank and Trust Company of Missouri was originally chartered in 1911. Over the past century, there have been remarkable changes in the banking industry, but one thing has stayed constant - their mission to amaze each and every customer. They do this through their commitment to providing unequalled service quality to their customers and the community. They provide a wide selection of products and services for individuals and businesses alike while continually striving to improve the communities they

serve. They may not be able to control the effects of time and technology, but they can continue to perfect their philosophy, "Let us amaze you."

**Eagle Bank**  
*"Let us amaze you"*

Over the past few months, we've all seen a great deal of negative information on the banking industry. There

have been bank mergers and closings, nation-wide and close to home. But Eagle Bank remains strong and continues to be a part of our community.

Eagle Bank continues to be a part of our community, supporting organizations and charities

throughout Jefferson County.

For nearly 100 years, Eagle Bank has served Jefferson County. Eagle Bank continues to provide amazing customer service, competitive rates and innovative products and services. They continue to support the families, businesses and charity organizations of Jefferson County.

It's no wonder area families and businesses have been flying high with Eagle Bank for almost a century.

**Thank you  
Eagle Bank!**

## 2009 Jefferson County Rodeo

### Stop in at the 2009 Jefferson County Rodeo.....

The Jefferson County Rodeo is an annual Hillsboro Civic Club sponsored event steeped in rich county history dating back over 30 years. Rodeo fans and Civic Club members have the opportunity to watch and cheer for two nights of IPRA Championship rough stock riding,

roping, and barrel racing provided by Wooten Rodeo Company.

There is something for everyone to enjoy, from petting zoos to mechanical bull riding with plenty of food, refreshments, and musical entertainment as well as the crowning ceremony for the winner of the Miss Jefferson County Rodeo Queen Pageant.

Keeping this Rodeo tradition alive, the Club will host a Rodeo Queen Auction/Fashion Show and Dinner on May 1 and May 2. The 38<sup>th</sup> annual Jefferson County IPRA Championship Rodeo will be held on June 12 and 13. We expect the

Rodeo to continue the tradition of **bigger, better** and are excited to have you join us for this well attended successful event. Without the support of the community and the involvement of our Civic Club members, this rodeo would not continue to thrive and grow and the goal of providing a fun-filled family event cannot be achieved. We are hoping we can count on your new or continued support and we look forward to seeing you and working together to make this year's rodeo the best one yet!

We would like to congratulate last year's Jefferson County Rodeo Queen, Emma Glaspy—she is the current reigning 2009 Miss Rodeo Missouri.

Mark your calendars and see you in June!!
