## Welcome.....

### HCCC September 2009 Newsletter

I would like to thank all the members and volunteers that made the 2009 Jefferson County Fair a big success. Thanks to your hard work and dedication, along with good weather and entertainment, it was one of our best attended fairs. We received numerous compliments by fairgoers on all aspects of the Fair.

With the Fair behind us, we continue the work necessary to conduct our next events. On Saturday, September

19, we will present the Demolition Derby and on Saturday, October 24, the HCCC Scholarship Dinner Auction. With your help we will continue the "success" streak we have had for our events this year.

In between these two events, we are hoping that all our members and their families will join us for the annual Appreciation Barbecue on Saturday, October 17 at 6:00 p.m. This is a fun event where we can relax and have a good time. The Club will provide bever-

ages, pork steaks and hot dogs. We are asking everyone else that attends to bring a side dish.

Also we are hoping that you join us in celebration of the new year at our New Year's Eve party—more details to follow...

HCCC Board elections will be held in October. Please join us at our next general membership meeting. These meetings are held every second Tuesday of the month at 7:30 p.m.

Thanks,

Dave Tucker  
HCCC President

## Sponsor Highlight—The National Guard

### Continuing its historic mission....

The National Guard, the oldest component of the Armed Forces of the United States and one of the nation's longest-enduring institutions, celebrated its 372th birthday on December 13, 2008. The National Guard traces its history back to the earliest English colonies in North America. Today's National Guard still remains a state-Federal force.

As years passed, important national defense legislation increased the role of the National Guard as a Reserve force for the U.S. Army. The National Guard has seen the nature of its Federal mission change, with

more frequent call ups in response to crises in Haiti, Bosnia, Kosovo, and the skies over Iraq. Most recently, following the attacks of September 11, 2001, more than 50,000 Guardmembers were called up by both their States and the Federal government to provide security at home and combat terrorism abroad. In the largest and swiftest response to a domestic disaster in history, the Guard deployed more than 50,000 troops in support of the Gulf States following Hurricane Katrina in 2005.

Today, tens of thousands of Guardmembers are serving in harm's way in Iraq and Afghanistan, as the National Guard continues its historic mission, providing to the states units trained and equipped to protect life and property, while providing to the nation units

trained, equipped and ready to defend the United States and its interests, all over the globe.

**National Guard**  
*Never forget the courage and sacrifice of those who were lost and those who are left behind.*

**Thank you  
National Guard for all  
you do!**
